

CHILDREN'S MINISTRY

Children's Teachers

Lead and teach a prepared lesson on Sunday mornings during one of the services. This is an amazing opportunity to share the love of Christ with a child. Each teacher is on a 2 weeks on/4 weeks off rotating schedule so that you are able to attend services as well.

Children's Greeters/Helpers

We need people to be an extra hand on Sunday mornings. If you don't feel that you have a gift in teaching, this is an opportunity to share the love of Christ with children by helping a teacher. A greeter/helper interacts with the kids and helps the teacher with crafts and snacks. The greeter/helper also meets the children to take them to their class and greet them with the love of Christ as they walk in the door. This position is vital in helping our children feel welcomed and loved.

Children's Events

We need people to help plan, coordinate and serve at large events for the children and families of our community.

Children's Choir/Program Leaders

We need people to volunteer to lead and help with special programs for Christmas and Easter. If someone is passionate about music/drama, we would love to see new and different opportunities for our children all year round.

Children's Visitor Follow-up

We need people who are willing to write emails and letters to families with children that visit our church on Sundays.

Parenting

We need people who feel called to plan, coordinate, and/or teach parenting. Our desire is to provide opportunities for our families to grow as Godly parents.

Children's Curriculum

We need people who are willing to research and seek the Lord about the curriculum we are teaching our children. This opportunity also includes helping implement the curriculum chosen (organization of the classrooms to fit the curriculum).

Children's Scheduling

We need someone who is willing to help make schedules for the volunteers on Sundays. This person would need some computer skills.

Children's Supplies

We need people who are willing to restock supplies/snacks for our classrooms. This includes keeping track of what is needed and/or purchasing the materials.

Children's Recruiter

We need people who are willing and passionate to seek the Lord and then pursue people to volunteer for children's ministry activities/needs. This consists of a lot of prayer and confidence to approach people.

Children's Childcare Workers Coordinator

We need someone who is willing to coordinate and lead our childcare workers. This consists of scheduling, recruiting new workers, and training/development.

Children's Camp

We need people who are willing to help with the planning and administration of children's camp in the summer. This includes promotion, recruiting kids, paperwork, and organizing transportation.

Children's Crafts

We need people who are willing to research and make new crafts to go along with our lessons.

Children's Organizer

We need people who are gifted and willing to organize classrooms and closets.

Children's Sunday Messenger

We need people who are willing to notify teachers on Sundays when the sermon is finished. This simply means that we need someone to go tell the teachers that it is almost time for the kids to return to the service.

Children's Connection

We need people who are willing to pursue new families in our church to connect them to small groups, home groups, children's activities, relationships, etc.

Age Group Leaders

We need people who feel called and are passionate about certain age groups to help us pray and plan. We need people for the Nursery age group, Prek-3rd grade, and Club 456. These people would work closely with Stephanie to brainstorm, plan, and implement activities.

Children's Communication

We need people who are creative and artistic to help create posters, signs, and new ways of communicating with our families.

Emergency Sunday Volunteers

We need people who are willing to fill in for teachers/volunteers on Sunday mornings. These people may receive a call the week before or be asked on Sunday morning.

Bulletin Boards

We need someone who is gifted in creating and making several bulletin boards for the children of our church.
