

YOUTH & WORSHIP MINISTRY

Youth Leader

Help run events on every other Sunday during our bible study Sunday's and our big fun event Sundays. More than just helping run things we want our leaders to be investing in kids for eternity. We would like leaders to be leading a small group or at least trying to connect with kids at some point during the week to grab a bite and talk or maybe go out and do something fun. The more kids feel loved and that they have a relationship with someone, the more they will want to be involved and see Christ!

Prayer Partner

We desperately need people to be on the front lines of prayer praying for the leaders, praying for kids, and the relationships between them all. This can be done anytime during the week but you would also have an opportunity to do this at our quarterly meetings where we discuss vision and share and pray. Other special prayer times can and should be set up as well.

Timothy Project Small Group Leader

Adult Leaders to meet with the Timothy Project Leaders (High School Students) who are trying to reach out to others and middle school kids. They need to be poured into in a small group just like the younger kids in small groups will from the TP leaders.

Connection Specialist

A person or persons who want to follow up with new kids and want to help get kids at Orchard Hills who aren't involved or plugged in. This could involve calling, writing, helping get some sort of gift together... but in general, just trying to get kids plugged in and engaged with the other youth at orchard hills (it doesn't even have to be a "youth" event!)

Special Communion Music

A person or persons to play music during communion. The commitment could be on a weekly, every other week, or monthly basis for either the 9am or 11am services.

Musicians

Skilled people to play instruments or sing with one of the two praise teams who alternate every other week. Also a list of people to be "on call" who can fill in every once in a while if a regular musician is unable to be there

Worship Leader

Someone to be in charge of leading worship on occasion or even possibly leading on a more regular basis of once or twice a month. This would include song selection and getting the music pulled together, leading practice Thursday night from 6:30-8, and leading worship Sunday mornings at both services. Training will be provided as well as any assistance from Mo that is needed!
